Work Experience

Inventory Control & Quality Assurance Associate
Target
July 2022 to Present

- Skilled in developing and implementing quality control procedures, resulting in a 25% reduction in errors
- Developed an excel macro sheet for finding team member information within the first 30+ days of joining the team
- Collaborate with a 6+ member team to prevent store order label defects (SOLD's) by 11%

Senior Target Security Specialist
Target
June 2019 to July 2022

- Executed strategic routines to identify, investigate, and prevent theft and shortage within the warehouse
- Actively participated in closing 20+ theft cases of the 34 closed during my time in this role.
- Identified overages over $2.5 million through adjustment and overage reports.
- Developed an excel macro sheet that read badge scans and reduced team member inbound traffic times during shift changes by 50%.

Inbound Warehouse Associate
Target
August 2016 to June 2019

Problem Area

- Determined cause, researched, corrected, and documented defect items
- Ensured the accuracy of inventory by verifying item attributions
- Responded to any identified defects and exceptions as freight flowed throughout the building

Backup Clerical

- Managed and tracked high priority merchandise
- Coordinated 200+ daily inbound load arrivals and movement of 650+ receiving and shipping trailers
- Assisted with backhaul routing and research of trailer information as necessary

Cashier/Customer Service Rep
WSS (Warehouse Shoe Sale)
May 2015 to July 2016

- Provided exceptional customer service in a helpful and friendly manner
- Conducted purchases, returns, and exchanges diligently
- Maintained a clean and organize sales floor

Education
